

Austin Media Spotlight Local 8-Year-old Tackling Football With New Prosthetic Leg

AUSTIN, Texas, Nov. 9, 2022 – When he was just three, Jeremiah Canady had a lower limb amputation due to a lawnmower accident, but that hasn't stopped him from pursuing his passions. Today, as an active 8-year-old, one of those passions is football, and thanks to a new prosthesis fit by his [Austin-area Hanger Clinic](#) prosthetist [Brittany Jones](#), L/CPO, Canady is back on the gridiron.

Media was recently invited to the [Central Austin Hanger Clinic location](#) to meet Canady and see his football skills in action using his custom-made carbon fiber socket and his first ever high-activity foot, and resulted in coverage by the following:

- [KTBC-TV \(FOX\)](#)
